D.O No. K-13013(15)/18/2020-LH

Dated: 23rd March, 2020

Dear Sir / Madam,

As you may be aware, due to the ongoing steps to control and contain the COVID 19 pandemic, many states have gone for complete lockdown to check spread of the virus. It is necessary to ensure continuous emergency services in the animal husbandry and veterinary sector, especially in emergent animal health situations. These may include, but are not restricted to, emergency services like disease diagnosis and treatment, monitoring of any emergency livestock and poultry diseases, immediate disease reporting, etc.

Accordingly, it is requested that veterinary hospitals and dispensaries in the state, including private veterinary clinics, veterinary pathologies, animal shelters etc. function in the normal course and the veterinary services be considered in the list of 'Essential Services'.

However, veterinarians and related officials should ensure strict personal hygiene and avoid public gathering.

Best regards,

Yours sincerely,

Upamanyu Basu

(Department of Animal Husbandry and Dairying)

No. 9-16/2019-20/PCA

Dated, 23.03.2020

To All the Chief Secretaries of all states and UT's

Sir/ Madam

As you may be aware due to ongoing control and containment of COVID 19 pandemic many States have gone for complete locked down to stop spreading of virus.

2. I would like to draw your kind attention that feed and fodder for large animals and food for companion and stray animals is an essential service and may be kept operational during lockdowns. District Administration may, if need be, allot specific time during the morning and evening hours for individuals/ volunteers to provide food and water for street animals and birds. This is a valuable service consistently provided by compassionate individuals and the absence of it may cause a large number of animals and birds to suffer and die and carcasses of the dead animals and birds may further spread different diseases amongst community which will be difficult to control.

3. It is requested to kindly issue necessary direction to all concerned authorities to create awareness amongst the public to take care of stray animals during the lock down due to COVID-19. The law enforcement authorities may also be directed to see that the animals and birds do not suffer due to hunger. A copy of the direction issued in this regard may also be forwarded to the board for information.

Kindly treat the matter as MOST URGENT

Yours sincerely,

(Dr. O.P. Chaudhary)

Chairman

22-03-2020

Dear Sh. Manoj Parida,

Kindly refer to Chandigarh Administration Order No. FF-2071/F-II(6)-2020/5000 dated 22.03.2020. In this regard I bring to your notice that Government of Punjab had issued instructions vide I.D. No. 12/07/2020-4PP2/180 dated 20.03.2020 (copy enclosed) to all Departments and Statutory Bodies etc. of the State Government for taking preventive measures.

2. These instructions require only 50% of Group B, C and D employees to attend office every day, and the remaining to work from home. Certain departments providing essential and emergency services have been exempted.

3. It is requested that the Chandigarh Administration may allow Punjab Government employees to travel to work and the State Government offices to remain open, keeping in view these instructions which are based on the circular of Department of Personnel & Training, Government of India on the subject, which is enclosed for your reference.

With regards,

Yours sincerely,

(Karan A Singh)

Sh. Manoj Parida,
Advisor to the Administrator,
Chandigarh Administration.
